

PROFESSOR SUGGESTS ONE-HOUSE ASSEMBLY

Says Unicameral Legislature Would Curb Lobbies and Fix Responsibility for Laws.

COLUMBUS, O., Feb. 24.—(By The Associated Press.)—The present Ohio legislative system, says Prof. Harvey Walker of Ohio State university, and substitute the unicameral or one-house plan of legislature to curb lobbies of their power and to fix responsibility for laws enacted.

An article in the February issue of the university monthly quoted Walker, political science instructor, as saying there are two legislative evils which could be minimized by the change.

Walker said he was drafting a proposed amendment to the Ohio constitution to substitute a one-house legislature for the present two-chamber state assembly.

He said he planned to circulate petitions throughout the state for sufficient signatures to bring the proposed change to a vote at a general election.

Bicameral or two-house legislative bodies are the delight of the lobbies, he declared in the interview and added that even members of the legislature find the two-house system convenient for the evasion of responsibility.

Obnoxious bills can be smothered at many stages in the legislative process and responsibility is not fixed, he said. Bills introduced to the public interest can be killed through the maze of intricate procedure almost unobserved.

The general public unorganized and unrepresented in the legislative process is kept track of bills and expends and inconvenient to appear at hearings.

Prospect, La Rue, Claridon, Green Camp in Title Race

Capture Quarter Finals in County Tourney Games

Seven Contests Draw Large Crowds to Shovel Gymnasium; More Contests Saturday.

PRESSING on toward the Marion county basketball championship and the privilege of representing the county in further tournament competition, Prospect, LaRue, Claridon and Green Camp High school teams battled to victories in quarter final games at the Shovel gymnasium Saturday afternoon and evening. Five hundred persons saw the afternoon games and the night crowd was estimated at 600.

Two winning teams in the first round of play encountered quarterfinals which drew large crowds in the opening contest while four other teams saw their first action in tournament play. Three consolation games, bringing together teams defeated in the initial round, were also played Saturday. Claridon and Waldo High schools were eliminated when they lost the second game in their consolation encounters Saturday. Remaining to battle out the consolation tournament were Green Camp and LaRue.

No serious threats were handed favored teams and the squads were today preparing to return to Marion next Saturday for a series of seven games. Four consolation games and three regular tourney encounters. The tournament semifinal and consolation quarterfinal games are to be played Saturday afternoon with consolation semifinals and the championship final scheduled for the evening program. The final consolation game is to be played the following evening with the winner of the consolation game to join the finalists in the title to the Class B sectional tournament at Westerville March 5-6-7.

Kirkpatrick losses. In the afternoon's final game Prospect defeated Kirkpatrick 23 to 12 after Kirkpatrick held the undefeated league champions to a 6-0 score at the end of the first period. Green Camp won over Agosta 24 to 14 but Agosta held a 2-1 advantage at the start of the second stanza with all the first quarter points scored on free throws. Waldo came from behind to win over Caledonia 30 to 23, in the first consolation game after the last played Saturday afternoon. A 24 to 18 victory for Marial at the expense of Kirkpatrick started the Saturday night schedule and eliminated the losers from further competition. The LaRue quintet won an evenly matched game over Morral 20 to 14 when they came from behind with heavy scoring in the second period.

The Marial LaRue encounter was a lively affair with the winning team getting off to a slow start. LaRue trailed 3 to 0 at the start when Morral got the initial score on a basket and a free throw by Schultz. Buckman and Parham both scored from action to give LaRue a 4 to 3 lead but the quintet ended with Morral leading 6 to 4. LaRue pulled right back to tie the game in the second stanza to grab a 12 to 10 lead at the start of the second half. Only one point a foul shot by Miller Morral guard was registered in the third period. Parham White and Greenwood scored in rapid succession in the final minutes to give LaRue a six point margin of victory.

Midland Pines Claridon. If Midland will not clever for ward of the Claridon squad led his team to the 30 to 24 victory over Pleasant by accounting for 10 points. Elusive under his own basket, Midland managed to sneak past opposing guards on three occasions and register next action. He left selected players of the all county second team last season scored Pleasant scoring honors with D. Holliday both getting four field goals.

Claridon's early lead was ended by a heavy basket barrage engineered by the Pleasant quintet in the second half. Pleasant was handicapped when late in the third quarter the team lost the services of a regular forward. Walter who left the game on a disqualifying foul.

Prospect undefeated in the county league during the 10-game season won the first tournament contest over Kirkpatrick in the opening game Saturday afternoon 23 to 12. The Prospect team trailed during most of the initial period but broke into the scoring column to knot the count at 6-6 as the quarter ended. Hart, captain of the Kirkpatrick team, caused the winners no end of trouble by totaling five points and playing a bang up defensive game. Bricker and Thomas both tallied eight points to lead the Prospect aggregation on offensive work. Captain Fleming in addition to his splendid work in halting Kirkpatrick offensive drives collected the remainder of the Prospect scores on two field goals and three foul shots.

Agosta broke the tie in scoring during its game with Green Camp but was unable to keep up the fast pace and dropped to a 26 to 14 defeat. An accurate basket by Furness gave Green Camp a 32 lead early in the second period and the team remained on top during the succeeding quarters. Furness scored on six field goals and a foul to total 33 of Green Camp's 26 points.

Consolation Games. Three consolation games were played Saturday, eliminating three teams from the tournament. Waldo defeated in the opening round Friday night by Pleasant 33 to 21 stepped out to defeat Caledonia 30 to 23 in a Saturday afternoon consolation game. Timson, diminutive Caledonia forward, turned in one of the finest performances of the contest. The small sophomore player was handicapped by his lack of height but his natural ability.

HARDING PLAYS MT. VERNON TUESDAY

TWO GAMES THIS WEEK END LEAGUE PLAY FOR MARION

Conference Title Lies Between Presidents and Ashland High Squad

It's the High School title and Junior's title in basketball. All this is a part of the title play for the Marion county basketball championship.

The tournament competition will bring to a close the 1933-34 season. Two games will be played this week end. The first game will be played on Tuesday night at 8 o'clock. The second game will be played on Wednesday night at 8 o'clock.

The remaining teams out of the running for the league championship are the Presidents and Ashland High.

The Presidents defeated Mt. Vernon 20 to 12 in the first game of the tournament.

SONG WRITERS CONTEST SET

Amateur Composers To Compete in Event Sponsored by Study Club

An amateur composers contest open to residents of Marion city and county will be sponsored by the Lecture Recital Study club. It was announced today by the club's officers.

The purpose is to inspire young musicians to express their thoughts in composition and to promote a more scholarly attitude towards music among amateurs who have not yet become interested sufficiently to put their talents to test.

Entries must be in not later than May 1 and should be sent to Forest Hall of 340 Third avenue who will serve as chairman of the contest committee. Entries with Mr. Ingle as a committee are Miss Mildred Duffey, Mrs. Pauline Campbell and Miss Eleanor Barnard. The committee specifies that only standard and suitable musical will be considered.

Awards will be presented to the winners at a public musical to be sponsored by the club members on Thursday May 21. Arrangements for this are in charge of Miss Juanita Owens, Miss Dorothy Fisher and George Rulo. Miss Ruth Eckert is sponsoring children's music assisted by Miss Mary Masters and Harold Brall.

The study club was formed last year by Miss George Kelmhaier. At a reorganization meeting last fall the following officers were named: Miss Mildred Duffey, president; Miss Mary LeMaster, vice president; Mrs. Pauline Campbell, secretary; Miss Ruth Eckert, press correspondent; Miss Eleanor Barnard, recently was named club advisor. Club meetings are held semi-monthly and are based on Out Line of Musical History with supplementary references.

RICHWOOD O. Feb. 24. A. B. Lilly 94, one of Union county's few remaining Civil war veterans, died of heart disease yesterday at his home in Richwood. A military funeral will be conducted at 2 p. m. at the Winter & Son funeral home followed by burial in the Union cemetery near Urbana. Mr. Lilly was born in Franklin county on Sept. 2, 1841 in Richmond and married Lilly his wife Mrs. Ada Brown Lilly died 30 years ago. Survivors are two children, a wife, Mr. and Mrs. Lilly of Richwood and Mrs. Nellie Lilly of Akron. Mr. Lilly was a plasterer by trade.

Police Issue Two Traffic Summons

Two motorists were cited for traffic violations Saturday and Sunday night, city police. Alfred Hunt of near Marion was cited for passing a red traffic light at Main and Center streets at 8:16 p. m. Saturday. He posted \$5 bond for appearance in municipal court later.

Conley of near Prospect a charged with passing a red traffic light at the intersection of Center and Main streets at 9:08 p. m. Sunday. He was released to appear later.

COSHOCKTON NORMAL AFTER FLU EPIDEMIC

Newark Also Calms Down After Escaping Gas Throws Town into Panic

By The Associated Press

COSHOCKTON O. Feb. 24

Activities in this city of 10,000 persons were returning to normal today after the influenza epidemic while at Newark 25 miles southwest the 20,000 residents were recovering from fear of an explosion from a natural gas.

Although workmen halted the danger of a blast by repairing broken mains Newark gas consumers were urged to be particularly alert today to report any odor of fumes. A broken main in the downtown section filled buildings with gas over a four-block area.

Schools reopened today while Coshocton's citizens were urged to a recurrence of the outbreak of zoster enteritis which afflicted 2,000 persons.

Fred C. Waring state health department engineer urged yesterday that council call a special election on a bond issue for \$100,000 for construction of the equipment.

J. D. Lower said the number of victims of the illness was steadily declining. A recent letter by the state health department showed the city was to be pure now.

At Newark a sudden thaw was blamed for the breaking of the gas main which was discovered early yesterday. As police and firemen guarded the four-block area halting all pedestrians and vehicles the traffic of workers dug through 50 inches of frozen earth to reach the main.

PLAY PRESENTED AT CIRCLE MEETING

A play, Aunt Sam's Legacy, directed by Miss L. W. Kuebler was given at a meeting of Circle No. 4 Ladies Aid society of the Epworth M. E. church at a meeting Friday afternoon at the church.

Part of the proceeds were for the building fund of the church. The play was given by Mrs. Lloyd Schiller and Mrs. Margaret Habelman. Donors were Margaret Clark and Victoria Watson and John C. V.

Proceeding the play there was a piano duet by Mr. John Montgomery and Mr. W. H. Scott. The program was in charge of Mrs. W. C. Lullman. Mrs. G. M. Mahaffey, Mrs. C. L. Smiley, Mrs. W. W. Lick, Mrs. Montgomery and Mrs. W. L. Miller. Lunch was served in a social hour. The circle will meet March 19 with Mrs. James Lingo of 317 South Vine street.

The Stars Say--

For Tuesday, Feb. 25

A DAY OF excellent promise for success, progress, prosperity and happiness is predicted from the prevailing lunar and planetary aspects. It is a time for putting over cherished plans in the direction of the highest goals and ambitions since there is augury for the support and friendly cooperation of those in power and influence. Change travel strangers legal matters and the issues for financial and personal promise warrant it.

Those whose birthday is at stand at the threshold of a year of splendid opportunity for reaching the goal of better days in their material fortunes and in their prestige power and popularity. Change travel and hard work are part of the campaign and the time justifies the means. It is a time for pushing to such goals.

A child born on this day may be splendidly endowed with all those talents and forces that make for progress, prosperity and happiness in business and social standing. It may attain high place in life.

Notable nativity: Enrico Caruso, tenor.

YOUR HEALTH

BY DR. R. S. COPELAND

Growing Child

Sound and restful sleep is essential to good health. When broken for any reason or fails to sleep well becomes a habit of instability and all sorts of nervous disorders may be expected.

Sleep is one of the most important factors in a baby's life. A new born healthy baby should sleep all the time except when it is being fed and bathed. At the third month it should sleep from 18 to 20 hours. From the sixth to the twelfth month not quite so much time is spent in sleep but the baby should have 14 hours of sleep with a two-hour nap in the morning and the afternoon. Sleep is essential to the child's well-being. During the first 12 months of life the brain grows to about two and one-half times its size at birth. During the same period the body undergoes tremendous development. Growth and development are retarded if baby is deprived of sleep.

I am often asked whether a baby should use the same bed room as its parents. Providing there is adequate ventilation there is no harm but it should be in a separate bed in a crib. This independence permits the baby to stretch and roll and turn about freely. The child is less likely to be exposed to germs which are frequently harbored by the unused bedding.

In a sense sleeping is a habit. It is possible to change a bad habit or develop a good one. A child who sleeps at the same place at the day and throughout the night if the infant sleeps fitfully there must be some cause for it. I would suggest he made in discovery and remove that cause.

I cannot overstate the very great importance of proper sleeping habits for the growing child. Rest in mind that the youngster who has just started school should at least a dozen hours of sleep. The delicate and highly strung child or one who has recently been recuperated from a serious illness or operation may need even more.

Growing older it can get along with less sleep. But nine hours should be the minimum until the child has reached his sixteenth year.

No definite rule can be made but such a program as I have suggested is about right according to the experts. Of course some children need more sleep.

An occasional child appears to get along on a lesser number of hours yet in time such a child is likely to become underweight and irritable.

For children who have difficulty in getting to sleep a warm bath just before retiring may solve the problem. A cup of warm milk may be beneficial. But never give soothing syrups or powders of any kind to a child to help it sleep.

Answers to Health Queries

M. C. Q.—What do you advise for gas? I have tried restricting my diet without success.

A.—Proper diet and regular habit should overcome this annoyance. For full particulars send a self-addressed stamped envelope and repeat your question.

A Reader Q.—What do you advise for granulated eyelids? The eyelids are swollen, very inflamed and burn. I have had this trouble for a long time as long as I can remember.

A.—You should be under the care of a doctor and follow his advice regarding the necessary treatment.

P. G. Q.—Will you please tell me the cause of acid stomach and how to overcome it?

A.—Hyperacidity is usually due to improper diet. For full particulars estimate your question and send a stamped self-addressed envelope.

A. B. Q.—What do you advise for gall stones? Particularly in regard to the diet.

A.—Simple easily-digested food regular habits and proper exercise should be of general benefit and aid in getting the gall stones out. For full particulars send a self-addressed stamped envelope and repeat your question.

Dr. Copeland is glad to answer inquiries from readers who send addressed stamped envelopes with their questions. Address all letters to Dr. Copeland in care of this newspaper at its main office in this city.

KAY W. SELIGMAN FOUND DEAD IN BED

Former Pilgrim Inn Hotel Clerk Stricken Suddenly; Funeral Tuesday

By The Associated Press

CHICAGO, Feb. 24. (AP)—Kay W. Seligman, 53, former clerk of the Pilgrim Inn hotel on North Dearborn street, was found dead in his room at the hotel of 427 Cherry street where he roomed.

Seligman had been in ill health for about 19 years and had been employed for about 10 years at the hotel where he was found.

He was born in Buffalo, N. Y., March 15, 1882 to Lewis and Helen Seligman.

A sister, Mrs. Miss Fleck of 12 Wacker street and a brother, Seligman of Chicago survive.

Seligman attended Sunday school at the Epworth M. E. church and was a member of the Epworth Lodge No. 600 Loyal Order of Moose and the Moose Legion.

The funeral will be Tuesday at 11 a. m. at the Schaffner Queen funeral home on East Center street.

Rev. James M. Fisher, Presbyterian minister, will be in charge. Burial will be made in the Oakwood cemetery at Bucyrus. The body may be viewed at the funeral home.

CRAWFORD SCOUTS TO RECEIVE AWARDS

A Boy Scout court of honor for scouts of the Crawford county district will be held at the New Washington High school auditorium tonight at 8 o'clock. J. S. Barrington, vice-chairman of the district, will preside and Rev. Luther William R. Sweeney will give the principal address.

The New Washington High school orchestra will play. Arthur Brooks, scout executive of Marion, will present letters of commendation for work in connection with the scout expedition held in Marion earlier this month to troops 10 and 21 of Peoria and 28 of New Washington.

PROGRAM AT DECEASED

A religious birthday program will be presented at a meeting of Monticore's young people at 10 o'clock at the hall of the Odd Fellows. The program will be in charge of Mrs. Daniel Schmidt. Mr. Carl Seltzer and Mrs. G. L. Jones, members playing musical instruments are asked to bring them to take part in the program.

KIDNEYS MUST CLEAN OUT ACIDS

The only way your body can clean out acids and poisons is by the action of the kidneys. If the kidneys are weak, the acids and poisons will build up in the blood and cause all sorts of troubles. It is important to keep the kidneys clean and strong. The best way to do this is by taking a course of treatment with the Schaffner's Kidney Pills. These pills will clean out the acids and poisons from the blood and keep the kidneys strong and healthy. They are guaranteed to give you relief and are the only pills that can do this.

MRS. SADIE HOUCK DIES AT SUNBURY

By The Associated Press

CARDINGTON, Feb. 24.—Mrs. Sadie Houck, 72, former resident of Cardington, died Thursday at the Sunbury Hotel in Sunbury. Funeral services were held Saturday at the home of her sister Mrs. E. A. Haller at Sunbury and burial made at that place. A daughter, Mrs. Don Crawford of Columbus and three sisters, Mrs. Haller and Misses Margaret and Alice Peppard of Cardington survive.
